Aviara to Present at the Biotech Showcase 2015 Annual Conference

Houston, December 14, 2014 – Aviara Pharmaceuticals, Inc. (Aviara) announced today that Aviara management will present at the Biotech Showcase 2015 on Wednesday, January 14, 2015 at 8:00 AM PST at the Parc 55 Hotel in San Francisco. Biotech Showcase is an investor and partnering conference for private and public biotechnology and life sciences companies that is held during the course of one of the industry's largest annual healthcare investor conferences.

About Aviara

Aviara Pharmaceuticals is a development stage biopharmaceutical company focused on small-molecule pharmaceuticals that enhance the effectiveness of cell therapies and treat inflammatory diseases. Aviara is developing a portfolio of first-in-class and best-in-class small molecule integrin antagonists directed against a variety of targets involved in the modulation of cell therapies and inflammatory disease, such as hematopoietic stem cell mobilization, minimal residual disease in cancer, cardiac stem cell transplant, dry eye disease and inflammatory bowel disease. Additional information about Aviara is available at aviarapharma.com.
